Academic year: 2009-2010  
Bibliographer: Deirdre McDonald  
Liaison: Dr. Anita Pankake

### **PURPOSE:**

The purpose of this document is to assist in selecting and maintaining a well-balanced quality collection that will support educational and research needs of education students and education faculty.

### **GENERAL CRITERIA:**

**LANGUAGE:** English is the desired primary language. Works originally written in languages other than English will be purchased selectively and usually in English version. Works originally written in languages other than English will be purchased selectively, and may be purchased in translation or the original language. Spanish language materials may be acquired in support of curriculum and research needs.

**GEOGRAPHICAL CRITERIA:** Primary emphasis is on education literature in the United States, and secondary emphasis on education literature from Canada, Latin American, Europe and Asia.

**DATE OF PUBLICATIONS:** Literature published in the 20<sup>th</sup> and 21<sup>st</sup> Century is most desirable. Older works may be added to the collection only when the piece of literature reflects historical development of an area of education or the literature is needed for a specific teaching or research endeavor.

**TYPES OF MATERIALS:** Works dealing with the legal aspects of education and publications of major professional organizations (NEA, AFT, NAESP, NAEYC, NCATE) are desired.

**FORMAT OF MATERIALS:** All types of print and non-print resources may be considered for purchase.

**OTHER CONSIDERATIONS:** Materials to be purchased must support a doctoral-level program.
